Dear Dr. Falconer -

I promised to let you know the subject of your last address before the Women's Canadian Club. It was "A Perverted Patriotism." I also inquired, and found that the 1.15 train from Toronto is not among the cancelled trains.

Could you let us have the subject of your address, at least one week before Feby. 12th, as we wish to put it on announcement cards?

I am sorry that I cannot yet give you the subject of my address, and I am not sure whether or not I can do so before I go.

With kind regards, I am,

Yours sincerely,

Thanking you in advance,

Clubs, and we are deeply appreciative of your Kindness in doing it.

Probably you did not know that we always dread a Monday meeting as it is hard to get a good audience on that day, but last Monday was the exception to the rule; this we interpret as a compliment to you.

Enclose a cheque for expenses.

I really feel that we cannot adequately thank you for coming: I would like to alter Shakespeare's line a little and say: "We were but little grateful, if we could say how much".

We always enjoy hearing what
